Membership Renewal Dues

Thank you for continuing to support one of the finest and best organizations in the Tampa Bay area. Our maritime community here in Tampa is so special and we are delighted that you continue to support our great chapter.

As many of you know, the Tampa Propeller Club will host the 2010 International Convention in October 2010. Propeller Club members from all around the world will gather in our great city and visit our outstanding port area. We will be installing our very own Mr. Wade Wetherington as our International President at this event. In order to prepare for this event and its financial obligations we have included in the base dues amount an optional \$15 convention fund donation. Should you not wish to donate this \$15 optional amount, you may deduct \$15 from the amount shown below and submit your renewal payment.

As in years past you will also notice a \$10 optional education fee. This has been an option for several years now and your contributions have allowed our Education Committee to partner with the Hillsborough County School System to bring our dreams and goals of a Maritime Academy to reality.
