

## GO A ROUND WITH US!

One of the first Propeller Clubs founded, the Port of Tampa chapter was chartered May 25, 1929, as Port No. 5 by transportation industry leader Alex Findlay. At the time, the Port of Tampa was handling an average of 3.2 million tons of domestic and foreign commerce annually. Phosphate and petroleum were among the most important cargoes which also included lumber, iron and steel, scrap metal and fruits.

Today, Port Tampa Bay handles over 38 million tons of cargo each year and the Tampa Propeller Club has grown to over 500 members and is the largest Propeller Club in the world!

Our membership is diversified and open to all. Currently, membership companies range from shipyards, trucking companies, steamship agencies, and port companies, to legal firms, banks, research, etc.

Objectives of the club include:

- To promote waterborne commerce and the Marine industry generally in all its segments
- To maintain a continuing program of public relations, education and goodwill with the shipping community and public in general
- To collaborate with other organizations whose members are dedicated to the promotion of the best interest of American maritime shipping and allied industries
- To promote a spirit of friendship and common purpose among persons engaged in the American Merchant Marine.

For more information or to join the Tampa Propeller Club visit our website at [www.propellerclubtampa.com](http://www.propellerclubtampa.com)!

## The Lakes Course Par 72 7101 yards

An abundance of water inspired the moniker for this course. Water comes into play on virtually every hole. This 18-hole course measures over 7,100 yards and is more like the traditional Florida course with "Champion" bermuda greens and generous driving areas.

Both nines of The Lakes start out with unique par-5's that challenge golfers to use their creativity to make a sub-par score. As you play these outstanding layouts, you soon understand why The Eagles Golf Club of Tampa Bay has a hard-won reputation for well-conditioned tees, greens, and fairways. Four sets of tees offer golfers a wide choice of challenges. When the St. Petersburg Times canvassed several dozen Tampa Bay golf courses to put together a Tampa Bay "Dream 18," two holes from The Eagles were selected.
