

# PROPELLER CLUB

## PORT OF TAMPA

June 22, 2021

### Message from the President!

Greetings! One week ago I assumed the role as President for your Port of Tampa Propeller Club and I'm honored to serve in this role for the upcoming year. First and foremost, I would like to thank Mark Valenti for his leadership over the past year during unprecedented challenges. I also would like to thank our outgoing board members for their dedicated service to the club over the years. Thank you for a job well done.

The pandemic shut down virtually all of our club's social events in 2020, so we shifted our focus to take a more active role advocating for the maritime community. We intend to continue to navigate on that course while we also bring back all the great events our club is known for - and maybe add a few more!

Out of the 43 Propeller Clubs within the United States and the 22 international clubs, we are the largest and I don't take the lightly. I look forward to continuing to grow our membership and I believe the club is in a prime position to do just that in the Tampa Bay area.

I look forward to working with all of you as we grow our membership, continue our education outreach, and advocate and work with our many port partners to support maritime initiatives. As we put the past year behind us, your Propeller Club is poised to come back better and stronger than ever.

Sincerely,

Chris A. Chambers  
President
