First Place Gross – Team Pepper Contracting

First Place Net – Team J.W. Knight Electric

TAMPA, Fla., October 22, 2018 – The Propeller Club – Port of Tampa hosted its 34th Annual Golf Tournament on Thursday, October 18 at River Hills Country Club. A full field of golfers and guests participated in the tournament – which included a boxed lunch, golf, a barbeque dinner, as well as awards and raffle prizes.

Dwayne Keith and Norman Atkins from Marine Towing co-chaired the event for the 7th year. However, Keith and Atkins are going to “hang-up their golf visors” as chairs and will turn this tournament over to new chairs in the year ahead.

“I want to thank Dwayne and Norman for their hard work making this year’s tournament a tremendous success,” said Lynne Vadelund, Club President. “Because of their dedication and the work of our many other volunteers and sponsors, this event delivers a great experience year after year.”
